

Registration Form

The National Productivity and Competitiveness Council (NPCC) with financial assistance from the United Nations Development Programme and the Government of Japan has launched the Enterprise Go Digital project with the objective to strengthen the resilience of Small and Medium Enterprises in the current COVID-19 crisis, support them in their recovery phase and transform them into productive and competitive enterprises.

Please complete the form below. When you finish filling up your information, please press "Submit" to complete it. Your response will not be recorded unless you press the "Submit button".

Kindly note that by providing the below data you consent to your data being collected and processed as part of the requirements of the Enterprise Go Digital project of the National Productivity and Competitiveness Council (NPCC). Your data will be stored and you might be contacted concerning other NPCC events and/or activities. Should you wish to withdraw your consent at any time or if you require more information, please contact the NPCC at npccmauritius@intnet.mu or on 467 7700.

The deadline to register for this project is the 18th March 2022.

* Required
